

## CHICAGO FOUNDATION FOR WOMEN FUNDS

### CATALYST FUND: RESOURCES FOR WOMEN OF COLOR IN REPRODUCTIVE JUSTICE

Chicago Foundation for Women raises dollars to match funds provided by the Groundswell Fund's core program, the Catalyst Fund, a national initiative to bring new funding to women of color-led reproductive justice work. Through this partnership, the Foundation will be able to provide funds for grants and technical assistance to Chicago-area reproductive justice projects led by women of color. This fund will amplify efforts to expand the reproductive justice platform and diversify voices of communities of color on these issues.

### DONOR ADVISED FUNDS

Donor Advised funds can be established when a person or family donates \$5,000 or more to the fund. Chicago Foundation for Women assists the donor in awarding grants from that fund to support organizations helping women and girls.

Our DAFs include:

- Fay Clayton Fund
- The Patty Crowley Fund
- Nancy M. Goodman Memorial Fund
- Elick and Charlotte Lindon Fund
- The Evelyn Appell Lipkin Fund
- Jo and Art Moore Family Fund
- Lueavery Partee Fund
- Jessica Eve Patt Memorial Fund
- Eleanor Petersen Fund
- Berta Waese Endowed Fund
- Hedy and Rose Ratner Fund

### DORIS & HOWARD CONANT FUND FOR WOMEN'S RIGHTS

The Doris & Howard Conant Fund supports organizations and programs committed to women's rights, with a focus on advocacy efforts. The Conant Fund also provides an opportunity to award multi-year grants, demonstrating both the Foundation's and the donor's commitment to long-term, systemic change.

### THE ELEANOR NETWORK AT CHICAGO FOUNDATION FOR WOMEN\*

Eleanor Network at Chicago Foundation for Women supports an array of economic security strategies, bringing together the former Eleanor Foundation's targeted approach and CFW's broader support of direct service and advocacy.

### THE ENTERPRISE FUND

Based on our commitment to nurturing innovative efforts and to supporting smart collaborations, we have established The Enterprise Fund. The Enterprise Fund is specifically designed to meet the next wave of economic, social, and educational challenges facing women and girls by recognizing that not all programs and ideas need to be housed in separate, unique organizations. Through the Fund, applicant organizations have the support to consider a range of organizational structures and pathways to collaborative programming. From combining complementary ideas to co-locating services to formally joining with a nonprofit partner, the Enterprise Fund allows organizations the flexibility to consider new iterations of their work..

### THE GENERAL FUND

Grants from the General Fund focus on Chicago Foundation for Women's three key issue areas: economic security, freedom from violence, and access to health services and information for women and girls.

\*A portion of the funds that support housing and wraparound services for low-income working women in Chicago are provided by the Ava Farewell Trust.

### GIVING COUNCIL FUNDS

Through our three Giving Councils, Chicago Foundation for Women fosters a network of diverse leaders who raise funds for their communities. Each council's fund awarded grants this past year to organizations which work in the communities they represent.

### IRENE BAYRACH ANTI-VIOLENCE LEGACY FUND

The Irene Bayrach Anti-Violence Legacy Fund supports advocacy and services to address family violence. Through this fund, the Foundation seeks to address the following types of violence:

- Domestic abuse or violence between partners in an intimate relationship including physical, emotional, and sexual abuse,
- Girls' exposure to family violence and child abuse, including physical maltreatment and neglect by a parent or other caregiver, and
- Elder women abuse (including physical maltreatment, financial exploitation, and neglect) where the victim of maltreatment is over 60 years of age and the perpetrator is a caregiver.

### THE NORTH SHORE GIVING CIRCLE

The North Shore Giving Circle of Chicago Foundation for Women aims to increase awareness about the Foundation within the northern suburbs and to make use of the knowledge and skills of community leaders and members. The purpose of the giving circle is to provide a bridge between the Foundation and women leaders in Chicagoland communities, and to provide specialized fundraising and grantmaking mechanisms for these communities through Chicago Foundation for Women.

### THE POLK BROS. FOUNDATION FUND FOR EMERGING ORGANIZATIONS

The Polk Bros. Foundation Fund for Emerging Organizations fosters early growth in promising nonprofits with annual operating budgets below \$75,000.

### THE SOPHIA FUND FOR ADVOCACY

From 1983 to 1991, the Sophia Fund was an independent foundation, making more than 400 grants totaling \$1.8 million dollars to organizations addressing reproductive rights, violence against women, and economic justice. In 1992, the founder of the Sophia Fund transferred part of the fund's assets to Chicago Foundation for Women to enable the support of advocacy and social policy efforts that ensure that women reach their full potential. The Sophia Fund focuses on the same three key issues as the General Fund does; its application process is also the same.

### EVA JANZEN POWELL AND SMITH T. POWELL HEALTH SERIES

As a part of Chicago Foundation for Women's effort to enhance access to health services and information for underserved and uninsured women and girls, the Foundation provides funding for public outreach symposiums through the Eva Janzen Powell and Smith T. Powell Health Series. Each symposium highlights a unique issue or health concern facing low-income women and women of color.

### STRATEGIC RESPONSE FUND

The Strategic Response Fund allows the Foundation to provide immediate support for projects that are outside of the Foundation's spring and fall grant cycles. Grants of up to \$7,500 are awarded on a rolling basis to local organizations addressing critical issues and concerns of women and girls. These grants are intended to be small, discrete, and timely. Thus, grants from this pool are "exceptional" and out of the ordinary course of business. This fund is competitive, and an organization is limited to one Strategic Response Fund grant per year.

### THE WESTERN SUBURBS GIVING CIRCLE

The Western Suburbs Giving Circle (WSGC) is a group of Chicago-area women who combine their funds to address the needs of women and girls in the western suburbs with a special focus on economic security and freedom from violence. By leveraging the power of collective gifts, their grants create meaningful impact and improve lives.
